## Act 1: Scene 1 - The Library

*Little Girl:* Oh dear! I must hide!

**Finally, some space to explore! No more sitting in a tower, waiting for someone to rescue me! Now I can climb wherever I want.**

*Cinderella:* ...but these are much better!

**I agree Cinderella. Why wait for some prince when we have everything we need to save ourselves?**

*Sleeping Beauty:* ...to sell my designs to a new kingdom

**Hi Sleeping Beauty. Have you got another big order to deliver?**

*Cinderella:* ...We're all doing things our own way.

**You two really do look out for others.**

*Red Riding Hood:* ...I get to make them, too!

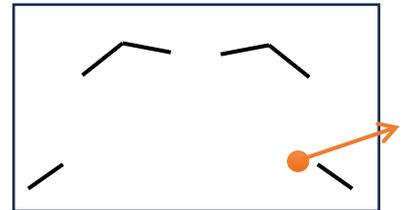

**Little Red, that's great! It seems your Grandma is getting stronger every day.**

*Cinderella: ...no glass slippers, just me and my legs.*

**That's brave. I mean, who needs a prince, right?**

*Prince Charming: ...of you a princess in need of rescuing?*

**No. We're... good, thanks.**

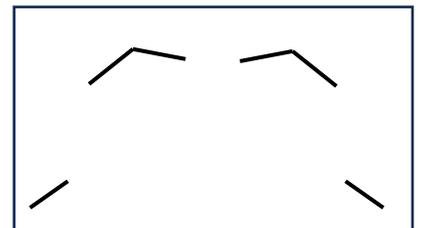

*Prince Charming: On your own? Without a brave hero?*

**You'll find we're quite capable, thank you. We can run, we can climb. We even come with survival gear.**
